INGREDIENTS

Ingredients as defined by AAFCO.

FEEDING DIRECTIONS

Feed to provide chlortetracycline at the rate of 350 mg per head per day. ____** pounds of this cattle feed will medicate one animal.

WITHDRAWAL PERIODS AND RESIDUE WARNINGS

No withdrawal period is required when used according to label. This drug is not approved for use in female dairy cattle 20 months of age or older, including dry dairy cows. Use in these cattle may cause drug residues in milk and/or in calves born to these cows. A withdrawal period has not been established for this product in pre-ruminating calves. Do not use in calves to be processed for veal.

USER SAFETY WARNINGS

Not for use in humans. Keep out of reach of children.

QUESTIONS/COMMENTS

To report suspected adverse events or side effects, or for technical assistance contact Pharmgate Inc. at 1-800-380-6099 or www.pharmgate.com. For additional information about reporting side effects for animal drugs, contact FDA at 1-888-FDA-VETS or <http://www.fda.gov/AnimalVeterinary/SafetyHealth>.
